

MEMORANDUM OF UNDERSTANDING
between
INSTITUTE FOR ADVANCED COMPUTATIONAL SCIENCE
of
STATE UNIVERSITY OF NEW YORK AT STONY BROOK
STONY BROOK, UNITED STATES OF AMERICA
and
A*STAR COMPUTATIONAL RESOURCE CENTRE
SINGAPORE

The Institute for Advanced Computational Science, the State University of New York at Stony Brook, United States of America, hereinafter referred to as IACS, and A*STAR Computational Resource Centre, Singapore, hereinafter referred to as A*STAR, in recognition of their common interests in developing bilateral relations and convinced that cooperation between institutes of higher learning contributes to cultural enrichment, scientific progress, and the consolidation of friendship between countries, agree to establish the following Memorandum of Understanding.

I

This Memorandum will promote activities in collaborative research in Computational Science. Prior to implementation of any cooperative and collaborative activities, parties shall enter into writing signed by the responsible authority of each institution which sets forth the terms and conditions of the activity.

II

1. All activities developed under the auspices of this Memorandum will comply with the procedures, policies, and practices, of each Institution as well as all applicable laws and regulations including applicable portions of the U.S. Export Control Act.
2. Both Institutions acknowledge that the visit by faculty, staff and students from one institution to the other shall be subject to the entry and visa regulations of the United States of America and Singapore, and shall comply with the regulations and policies of IACS and A*STAR.

III

1. This Memorandum is established for a period of five years, effective on the date of signing.
2. In order to enhance the efficacy of their cooperative activities, IACS and A*STAR agree that it shall be possible to introduce changes and additions to the Memorandum by means of mutually agreed upon additional written clauses.
3. At the end of each five-year period, this Memorandum will be automatically renewed by mutual agreement for an additional five years, unless IACS or A*STAR provide written notification of a decision of non-renewal prior to the expiration date. A minimum period of six months notice will be required from either party wishing to terminate the Memorandum. In the event of termination, all commitments to students participating in the program will be honored by relevant parties.
