In recognition of the general importance of international education and existing ties of mutual cooperation and respect, State University of New York at Stony Brook (hereafter SBU) and Chungnam National University (hereafter CNU) agree to develop and administer a dual degree program for undergraduate students initially admitted to CNU. The program is specifically designed to enable qualified participants from CNU, as determined by both universities, to earn a Bachelor's degree from SBU after two years of study.

Nominations

CNU will nominate no fewer than ten (10) students and no more than twenty-five (25) students with upper division standing per academic year for advanced standing at SBU for study in agreed-upon upper division courses for up to sixty credits. Nominations, including credentials, complete academic records, and all other supporting documentation, will be made available to SBU's Office of International Academic Programs by January 1, for the following Fall semester and September 1, for the following Spring semester.

Requirements

Nominated CNU students will have a GPA equivalent to a SBU 3.25 and a minimal TOEFL score of 550 on the paper-based test or a minimum of 213 on the computer-based test.

Admission

Nominations and documentation of minimal requirements will not in themselves guarantee admission to SBU. Offers of admission for CNU nominees will be made by the SBU Office of Undergraduate

Admissions. Offers of admission for the Fall term will be made by April 1, and for the Spring term, December 1.

Tuition Costs and Fees

Admitted CNU students will pay an out-of-state tuition fee directly to SBU's Bursar's Office. Admitted CNU students will be exempted from paying tuition and fees to CNU.

Housing and Meal Plan

CNU students will pay all regular SBU undergraduate fees, as well as a double room residence fee, and meal plan costs.

Requirements For Graduation

In order to receive SBU diploma CNU students will satisfactorily complete all SBU general education and major requirements and petition for graduation clearance during their final semester.

Visas

The SBU Office of International Academic Programs will provide the assistance necessary for CNU students to apply for an appropriate U.S. visa.

Transcripts

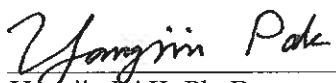

At the participating student's request, an SBU transcript will be sent directly to CNU's registrar.
