

STUDENT EXCHANGE APPENDIX
to the
AGREEMENT OF COOPERATION
between the
STATE UNIVERSITY OF NEW YORK AT STONY BROOK
and
OKAYAMA UNIVERSITY

In accordance with Section II of the Agreement of Cooperation signed by these two parties, the following mechanisms designed to encourage and facilitate exchange of students are hereby established:

1. Students are to be exchanged for the following period: fall semester, spring semester, or full academic year.
2. The number of exchange students admitted into each of the institutions is within 3 per year. The universities agree to achieve full reciprocity, that is, to exchange an equal number of students by the end of this Agreement period.
3. Initial selection of students will take place at the home institution; however, the host institution reserves the right to deny admission to any student not meeting its general admission criteria.
4. Student dossiers should be received at the host institution by the appointed time.
5. Students interested in living in university housing will be provided assistance and information, to the extent possible, in regard to accommodation. Students, however, will be responsible for their own housing costs.
6. The host institution will waive tuition charges for the incoming exchange students and will inform them in a timely fashion concerning fees and expenses for which the student will be responsible.
7. Students must be enrolled in a full-time course load at the host institution for the duration of the program.
8. Students who participate in the exchange program will not be degree candidates at the host institution.

9. At the end of a student's program overseas, each host university will send to the home institution an official record of coursework completed at the host institution.
10. Each institution will assess academic work completed at the partner institution and will award credit to its students in accordance with its own academic policies and regulations.
11. This Appendix shall be in effect for the same period as the Agreement of Cooperation and may be adjusted in writing upon mutual agreement of the two parties. For matters not covered in the Appendix, the institutions shall consult the Agreement of Cooperation.
