

AGREEMENT OF COOPERATION
between
THE INSTITUTE OF NUCLEAR CHEMISTRY, FACULTY OF
CHEMISTRY AND PHARMACY,
JOHANNES GUTENBERG-UNIVERSITÄT MAINZ GERMANY
and the
STATE UNIVERSITY OF NEW YORK AT STONY BROOK
UNITED STATES OF AMERICA

The Faculty of Chemistry and Pharmacy at Johannes Gutenberg-Universität Mainz, Germany, hereinafter referred to as Mainz, and the State University of New York at Stony Brook, hereinafter referred to as Stony Brook, in recognition of their common interests in developing bilateral relations and convinced that cooperation between universities contributes to cultural enrichment, scientific progress, and the consolidation of friendship between countries, agree to continue the Agreement of Cooperation, signed 07/25/2001, for the years 2007, 2008 and 2009.

I

This Agreement of Cooperation will promote activities in the following principal areas:

- Exchange of students.
- Exchange of faculty and academic staff.
- Collaborative research, instructional and cultural programs, including publication activities of mutual interest, exchange of bibliographic materials and shared access to information networks.

II

Specific mechanism for the implementation of particular cooperative and collaborative activities shall be established and described in corresponding Appendices to this Agreement.

III

All activities developed under the auspices of this Agreement will respect and conform to the corresponding norms, traditions and regulations of each University. For each of these, a separate Appendix is required outlining the details.

IV

This Agreement is established for a period to three years, effective on the date of signing.

In order to enhance the efficacy of their cooperative activities, Mainz and Stony Brook agree that it shall be possible to introduce changes and additions to this Cooperative Agreement by means of mutually agreed upon additional written clauses.

At the end of 2008, this Agreement will be re-examined by both partners and may be extended.
