

STUDENT EXCHANGE APPENDIX

to the

AGREEMENT OF COOPERATION

between

THE STATE UNIVERSITY OF NEW YORK AT STONY BROOK

and

INTERNATIONAL ASSOCIATION OF UNIVERSITIES

In accordance with Section II of the Agreement of Cooperation, the following mechanisms designed to encourage and facilitate the exchange of students are hereby established:

1. Students are to be exchanged for one full academic year or for one semester.
2. The number of students to be exchanged each year shall be determined by mutual consent no later than February 1 of the preceding academic year. IAU and SBU agree to achieve full reciprocity for the student exchange within three years. This balance may be achieved by an exchange of an equal number of students or other academic exchanges.
3. Study Abroad Conditions
 - I) In the event that there is an imbalance in the number of students wishing to exchange, the parties may agree to establish a Study Abroad program additional to the above student exchange program for students from the home university to study at the host university.
 - II) Students enrolled in such a Study Abroad program will be subject to all of the exchange conditions listed within this agreement with the exception of tuition waivers.
 - III) Study Abroad students may incur a specified fee as agreed to by the institutions.
 - IV) Payment of fees for Study Abroad students undertaking studies at the host institution will be in accordance with the fee collection procedures of the host institution.
4. Initial selection of students will take place at the home institution; however, the host institution reserves the right to deny admission to any student not meeting its general admission criteria.
5. Student dossiers should be received at the host institution no later than March 15 for fall admissions and October 15 for spring admissions.
6. Each host university shall assist incoming students in arranging accommodation. Students shall be responsible for their own housing and meal costs.
7. Admitted students shall be responsible for normal and customary tuition, orientation, housing and meal costs. Where reciprocity exists, the host university shall waive tuition costs for incoming students.
8. Exchange students shall be required to enroll in the mandatory SBU insurance program and shall be responsible for all deductible costs related to health care services.
9. Students must be enrolled in a full-time course load at the host university for the duration of the program and in accordance with the student's degree program.

IV

1. This Agreement is established for a period of five years, effective on the date of signing.
2. In order to enhance the efficacy of their cooperative activities, (IAU) and SBU agree that it shall be possible to introduce changes and additions to the Agreement by means of mutually agreed upon additional written clauses.
3. At the end of each five-year period, this Agreement will be automatically renewed by mutual agreement for an additional five year, unless Stony Brook or (IAU) provide written notification of a decision of non-renewal prior to the expiration date. A minimum period of six months notice will be required from either party wishing to terminate the Agreement. In the event of termination, all commitments to students participating in the program will be honored by relevant parties.
